

Committee: Grants

Role: Member

Time Commitment: Two to five hours per month during grant cycle; One to two hours per month otherwise

Job Description:

In collaboration with other members:

- Develop large grant request for proposal (RFP) around annual member-chosen theme
- Draft small grant RFP
- Review and thoroughly score grant applications for committee presentations and discussion
- In concert with board, develop and hold theme panel event and December membership meeting
- Help promote RFPs
- Go on site visits as needed

Tips:

- This is a highly rewarding and often emotional role. It can be hard to have the Beehive or committee cut a proposal from consideration when you've connected with the organization through the review process.

Challenges:

- During the grant cycle the time commitment increases
- Need to be able to make site visits during business hours
